

## Parking visitors MARIN

Will you be visiting MARIN in Wageningen by car? Parking on our own premises is limited due to the construction of our new Seven Ocean Simulation centre.

On the map above we indicate public parking facilities within walking distance:

- A) Parking lane along the Marijkeweg
- B) Car park of Korfbal Association Wageningen, Marijkeweg 23
- C) Car park Duivendaal

The orange line shows the walking routes to MARIN. As soon as you arrive at the roundabout with the yellow MARIN ship model, MARIN will be on your right after about 200 metres.

Please note, these are public parking facilities, so we cannot reserve parking spaces.
